Dated: 12-6-2019

H.E the Prime Minister,
Islamic Republic Of Pakistan

Subject: One window operation for clearance of used cars

Sir,

Overseas Pakistanis would like to request the Government authorities to adopt one window operation for clearance of used cars. After **SRO 52(1) 2019**, the duty amount has to come from Overseas Pakistani in foreign exchange but it is now totally unjustifiable that authorities (SBP & Pakistan Customs) do not have any verification system for it. After arrival of the unit, it is taking more than 30-45 days for clearance which is not justified in any manner, due to which overseas Pakistan have to pay huge demurrage amount.

We would request the authorities to either make online verification system similar to general cargo (EIF) clearance or centralized verification in SBP or in the head office of each scheduled bank with a time limit of 3 days to verify it. It is requested that the Prime Minister office should look into this situation and solve this matter to save time and money of Overseas Pakistanis.
